## Introducing Integrity

*Integrity is an ethical consultancy and service provider working in challenging and complex environments around the globe.*

We help our clients succeed in fragile and challenging environments while building trust and understanding as the basis for transformative change. We work across all phases of the programme and project cycle, delivering eleven complementary services: monitoring, evaluation and learning / data and knowledge management / research, evidence and analysis / advisory / project management / communications / risk management / technical assistance / capability and capacity development / stakeholder engagement / grant and fund management. Our services are underpinned by the principles on which we were founded, a commitment to providing reliable information and evidence, and expert and high-quality delivery.

Headquartered in London and Washington DC, Integrity also has offices in Jordan, Kenya, and Pakistan. Our multi-national team of over 60 deliver multi-year projects, programmes and consulting assignments to a wide range of government clients, international organisations, foundations and private sector clients.

**Vision:** Integrity sets the international standard for ethically delivered, expert services in complex and challenging contexts. Our work helps create stability, accountability and prosperity.

**Mission:** Based on evidence and learning, we help clients and communities to build trust and understanding as the basis for transformative change. We do not advocate: we listen, comprehend and recommend.

**Commitment:** Integrity upholds the highest ethical standards in our service delivery, our employment of staff and our interaction with people. Through adherence to our core values, we ensure not only that our clients receive the best possible service but that we benefit the individuals and communities amongst whom we work.
